AREA GUIDE

The area around Selhurst Park is mainly residential, with a large supermarket adjacent to the ground. There are limited options for away fans in the area, with some high street pubs accepting away fans on the walk from Thornton Heath station. There are numerous fast food outlets available.

However many fans choose to meet in London Bridge or Victoria instead and travel down just for the game. Pubs in Borough Market near London Bridge station are often popular.

The Club have an early bird offer which is a beer and a burger for £5.00 when purchased at least 45 minutes before kick off. There are other meal deals available throughout the game.
